

ZAP Telemaster S - 41327

Safe and flexible: height-adjustable platform with peripheral railing for safe standing, easy to move and folds to compact dimensions.

Product description

- Height-adjustable platform with large standing surface and all-round railings for safe and comfortable footing.
- Simple height adjustment according to the push-up ladder principle, allowing different heights to be reached with only one platform ladder.
- Very easy to erect - handrails and guard rails are automatically unfolded during erection.
- Can be used on stairs and folded to a very compact size for transport and storage.
- The two rear wheels make it easy to move.
- Large standing surface, 665 x 440 mm, made of 7-ply adhesive-bonded plywood board, with guardrail and knee bar, ensures maximum work safety and comfortable standing.
- Complies with new European standard DIN EN 131-7.
- Compact dimensions when folded, therefore easy to transport and store.
- High strength, non-twist rung/stile connections.
- Can be used on steps / stairs.
- Order No. 41325 without stabiliser.
