

# CONTRACT BLEACH

Contract Bleach is a very effective bleaching agent which results in a very effective product. Contract Bleach can be used for bleaching as well as the cleaning and disinfection of surfaces.

- Approx. 3% available chlorine - strong bleach power
- Use for odour and stain control
- Cold bleaching
- Quality Systems ensure High Quality Product.

## METHOD OF USE:

Contract Bleach should be poured directly onto surface in lavatories and directly into drains when used neat taking care to mop up spillages and avoid contact with clothing. For cold bleaching make up the required amount of dilute solution and leave to soak overnight. Never pour neat Contract Beach directly onto garments.
